"A coach maybe the guardian angel you need to rev up your career." - MONEY

Be the most effective leader you can be. Start Coaching Today!

- Do you feel comfortable, competent & confident with your people skills?
- Are you effective in keeping your team on track, on time & on task?
- Would strengthening your conflict management skills save time & talent?
- Do you negotiate from clarity, skill, power . . . and with confidence?

**If the answer to any one of those questions is NO—
Start Coaching with Dr. Shaler Today.**

Dr. Rhoberta Shaler offers you skill-specific, one-to-one sessions in the area critical to your successful leadership and business development – ***solving your 'people problems'.***

An Executive Coach has the expertise and experience necessary to help you build and MASTER the precise skills necessary to create and achieve your desired results. Enhancing your people skills—communication, conflict & anger management, leadership, team-building, negotiation—makes you more effective in every way.

You're probably already doing quite well in your chosen career and are looking for the path to the next level – strengthening your leadership ability, securing that CEO position, or stepping into a more visible role.

Dr. Shaler can help you get there with superior people skills and a clearly defined path to achieve your highest goals.

Rhoberta Shaler, PhD is an expert coach. She helps executives & entrepreneurs develop effective communication skills to facilitate powerful conversations that reduce conflict, build trust, and streamline negotiation. Clients say that Rhoberta is "a gentle, effective and enthusiastic teacher" who is "down-to-earth while knowledgeable, practical, energetic...and humorous". An executive coaching relationship with her is, essentially, an ongoing custom-created, one-to-one intensive seminar. Define the skills you need to master. Work with her to accelerate your success now.

"Executive coaches are not for the meek. They're for people who value unambiguous feedback. All coaches have one thing in common, it's that they are ruthlessly results-oriented." - FAST COMPANY
